II. CATHOLIC MISSION

The Faculty and Administration of Saint Francis of Assisi welcome you into our school, a community of prayer, study, and fun.

“Let it be known to all who enter Saint Francis of Assisi School that Christ is the reason for this school. He is the unseen but ever present teacher in its classes. He is the model of its faculty and the inspiration for its students”.

Student Daily Prayer:

I promise to do my best today to be Christ-like and accept responsibility for my words, actions and deeds. With Jesus as my model, I will refrain from anything that can be hurtful to my classmates, but will do my best to be kind, courteous, friendly, respectful and welcoming to everyone I encounter.

“Catholic Education is an expression of the mission entrusted by Jesus to the Church he founded. Through education the Church seeks to prepare its members to proclaim the Good News and to translate this proclamation into action.”

To Teach as Jesus Did #7

“The educational mission of the Church is an integrated ministry embracing three interlocking dimensions:”

1. The message revealed by God which the Church proclaims.
2. Fellowship in the life of the Holy Spirit.
3. Service to the Christian Community and the entire human community.

To Teach as Jesus Did #14

“Catholic Schools are unique expressions of the Church’s effort to achieve the purposes of Catholic Education among the young. They are the most effective means available to the Church for the education of children and young people.”

Sharing the Light of Faith
National Catechetical Directory, p. 143

“The mission of Catholic school education in the Diocese of Tucson is the formation of students to be true Christians. Every effort is made to assist the students in securing knowledge and acquiring habits, which will enable them to lead a thorough Christian life. As educators in the Diocese of Tucson, we assume the responsibility to teach as Jesus did as our role in the teaching mission of the Catholic Church. This mission includes students’ spiritual, intellectual, moral, physical, social, and cultural growth.”

V. ADMISSIONS, REGISTRATIONS, TRANSFERS

A. ADMISSION POLICIES

By registering at Saint Francis Catholic School, students and their parents indicate their intention to accept the philosophy of the school and observe the regulations and policies of the school and the Diocese of Tucson.

Saint Francis Catholic School does not discriminate in the administration of its policies and programs based on race, color, gender, or national origin. Students shall not be denied admission to a Catholic school because of a disability unless this disability seriously impairs the student's ability to complete successfully the school's academic program, or unless the school cannot provide sufficient care or make reasonable accommodations for the student. (Diocese of Tucson Handbook of School Policies and Procedures # 2110)

B. NEW STUDENTS

Saint Francis Catholic School order of preference in admissions to the school:

- Presently enrolled students and their siblings
- Students of Catholic families registered at St Francis Church
- Students of Catholic families registered at other parishes
- Non-registered Catholic families
- Non-Catholic families

New students must provide a birth certificate and a current immunization record before they can attend class. All Catholic students must also provide a copy of their sacramental certificates if applicable.

Additionally, transfer students are required to have an interview with the principal and must present report cards and progress reports. New students may also be required to take a placement test to determine academic ability. The parents may be asked to provide a tutor if necessary. The principal of Saint Francis Catholic School reserves the right to admit or deny any student admission.

Kindergarten students must be 5 years of age prior to September 1st. They will receive a readiness screening to determine if they are at the readiness level for entrance into kindergarten. If a child is not ready to begin kindergarten the parents are notified and the final decision lies with the principal and kindergarten teacher.

C. RETURNING STUDENTS

Re-admission of students for the following year is dependent upon the approval of the school administration. Saint Francis Catholic School also reserves the right to refuse re-admission to students who have been dismissed for any reason during the past year.

ALL CURRENT EXPENSES MUST BE SETTLED BEFORE RE-REGISTRATION IN AUGUST. THIS INCLUDES ALL FUNDRAISING OBLIGATIONS AND OTHER FEES.

D. WITHDRAWAL

To withdraw from Saint Francis Catholic School during the school year:

- Set up an appointment to speak with the principal
- Return all textbooks and library books
- Make sure all tuition and other payments are current

Records will be sent to the next school upon receipt of a formal authorization request form from that school.

Students withdrawing from Saint Francis Catholic School will be considered for readmission for the next school year upon principal and pastor approval and if enrollment permits.

Student Withdrawal on Grounds of Behavior

Normally, a child is not to be deprived of a Catholic education or otherwise penalized for actions of parents/guardians. However, when this behavior significantly reduces the school's ability to effectively serve its students, the parents/guardians may be requested to remove their child from the school for any of the following reasons but not limited to:

- Refusal to cooperate with school personnel
- Refusal to adhere to the St. Francis Catholic School or Diocesan policies and regulations
- Interference in matters of school administration of discipline
- Insults to or abuse of any faculty/staff or administrator at any time on school premises, or at some place if the faculty/staff or administrator is required to be present in connection with assigned school activities

E. ATTENDANCE POLICIES AND PROCEDURES

Punctuality and attendance are an important aspect of a child's education. Parents are required to call the school by 9:00 am if their child is absent. The school will call the parent if a child is absent and if a parent has not called. This procedure is our way of ensuring that parents are aware that their child is not in school. **Students absent for more than two hours of a day are to be counted absent for half of a day.**

Daily Attendance

Absences will be considered excused for: sickness, doctor or dental appointments that cannot be scheduled outside of school hours, a death in the immediate family, and attendance at a funeral.

Absences for any other reason will be considered unexcused unless excused by the principal.

Absences during school days for family vacations or other such extra-curricular activities are highly discouraged and not viewed as being in your child's best academic interest. Such absences must always be discussed with the administration before they occur. If a student is absent, they may not participate in any school sponsored activity on the day of the absence.

For planned, extended absences, special arrangements should be made directly with the teacher. The homework policy found in Student Homework subsection D will apply to missed work.

Excessive Absenteeism

Any time a student is absent **three consecutive** school days they must return with a doctor's excuse. This includes if a student is absent on Friday and then again on the following Monday and Tuesday.

Any student who is absent a total of **five days** or more **per quarter** (if the reason is not chronic prolonged illness verified by proper medical certification) will not be allowed to attend classes in the succeeding quarter until parents have satisfied the administration that such absenteeism will not continue.

After **ten** absences, excused or unexcused, the administration can take the following actions:

- The parent and student will conference with the administrator
- The family will receive written notification of serious/chronic absenteeism
- All documentation will become part of the student's permanent file
- **Chronic absenteeism will be reported as truant to the Juvenile Division of the Courts of the State of Arizona (ARS 15-803)**

Tardiness

All tardies will be recorded on the student's attendance record.

1. The first bell rings at 7:55 am. Students should be in line in back of the school. The tardy bell rings at 8:00 am.
2. Kindergarten students go straight to their classroom and are considered tardy if they arrive after the tardy bell rings.
3. Students in grades 1-8 will serve a noon detention for every three unexcused tardies per quarter.
4. For every three unexcused tardies per quarter, parents of Kindergarten students will meet with teacher/principal.
5. Students who are late because of a doctor's appointment, funeral or other excusable reason **are still considered tardy**. However, upon verification of the aforementioned reasons, the tardy will be considered excused and not count towards detention.
6. Emergency tardiness will be treated on an individual basis. An excused tardy does not count toward detention but is still considered a tardy.

Excessive Tardiness

Excessive tardiness will be treated in the same manner as excessive absenteeism:

- The parent and student will conference with the administrator
- The family will receive written notification of serious/chronic tardiness
- All documentation will become a part of the student's permanent file
- **Excessive tardiness will be reported to the Juvenile Division of the Court of Arizona**

F. EARLY DEPARTURE PROCEDURES

Students who must leave school early must bring a parent note or the parent must call the office prior to the early dismissal. The student will be called to the office once the parents arrive to pick them up. If the student returns before the end of the school day, the parent must check in at the office bringing verification from their appointment. If they do not return until the next day, verification should be brought to the office upon return. Students are responsible for any missed work.

G. RECORDS

All absences and tardies are recorded in the school office and in the classrooms. Attendance records of each student are part of the student's permanent record.

V. PARENT RESPONSIBILITIES

Saint Francis Catholic School recognizes that the parents are the primary educators of their children and that the school is privileged to join with them in partnership for the education of their children. The school depends on family support and cooperation and encourages active parental participation in the accomplishment of this joint ministry.

Parents have certain responsibilities that they are required to fulfill as part of the Saint Francis Catholic School Community.

A. FAITH FORMATION

Parents are the first teachers of their children in the area of faith. Parents give guidance to their children by living their Catholic faith. Presence at weekend Mass, as a family, should be the foundation of their relationship with God and each other. Parents are also encouraged to help teach and model God's message through scripture and prayers (grade level prayers can be found on St. Francis of Assisi website).

B. DIOCESAN POLICY

All parents and any adult who serves in a volunteer capacity in which they may have independent access to children, must meet the child safety criteria as described by the school's Safe Environment Policies. Details regarding these requirements are communicated to families each school year. This includes:

- Fingerprinting
- Background checks
- Child safety education procedures
- Watch the Diocese of Tucson's video, "Personal Safety Education for Children", and sign an acknowledgment of having viewed the video. This must be completed every three years.
- Volunteers must also abide by the school's Standard Operating Procedures (SOP) and are asked to sign the school's SOP form each year.

A. TUITION AND FEES

The School Advisory Commission Finance Committee and the principal, with the consent of the pastor and Parish Finance Council, set the annual tuition.

Tuition Rate 2015-2016

\$5,400 per year

Financial assistance is available for all St. Francis Catholic School families who apply. St. Francis of Assisi Catholic School uses FAIR (Financial Aid Independent Review) to determine the level of qualification. Families may apply for the following programs:

- Arizona Leadership (ALF)
- American Auto Association (AAA)
- Catholic Tuition Subsidy Organization (CTSO).
- Yuma Education Scholarship for YES Funds for Kids
- School Tuition Association of Yuma (STAY)
- Empowerment Scholarship of Arizona (ESA) Active duty military family only
- Arizona Community Foundation (ACF)

Families that receive the AAA funds may not receive of the grants listed above.

All families are required to sign a financial commitment form in order to be enrolled for a new school year. Saint Francis Catholic School depends on your tuition payment in order to operate. We depend on our families to meet their financial commitment so that we can meet ours.

In order for a family to qualify for the parish tuition rate, the family must be a registered, active and contributing member of Saint Francis Parish. Registration must be completed at the parish office and a family will be issued a parish identification number. Families should attend Mass at Saint Francis and use their parish identification on their contributions so they are credited to their family. We ask that each family tithe a minimum of \$10 per week or \$520 in a school year from August through the third week in May in order to qualify for parish scholarship. Each family is responsible for monitoring their annual tithing. Please contact the parish bookkeeper for the current balance.

All families should be registered on Smart Tuition unless prior arrangements have been made with the office. Tuition is due on the 1st of each month and is considered delinquent after the 10th of the month, a late fee will be added to your account. The principal and pastor will be notified of all families delinquent in tuition payments. **Should tuition remain past due for two consecutive months, the student is considered ineligible to return to classes until the tuition and fines are paid in full.**

If a family's school financial account is in debt, it is the policy of Saint Francis Catholic School that:

- The student will not be admitted at the start of a new quarter
- 8th Grade students will not be allowed to participate in the promotion ceremony.
- Registration for the new school year will not be accepted.

Note: If a financial hardship occurs in a family, arrangements with the principal must occur to satisfy the family's school financial account. **A personal appointment must be made within a reasonable time to make arrangements for payment.**

B. FAMILY SERVICE HOURS

Any adult who serves as a volunteer, where they will be working independently with children, must meet the child safety criteria as described by the school's Safe Environment policies. (Section V. B.)

Each family is required to contribute **twenty service hours** to the school (**ten hours per semester**). A fee of \$50 per hour will be charged if not completed. Service hour forms must be completed for all activities and turned in at the end of the month in which they are served. All service hours must be completed by the second week of May.

Of the twenty hours, every family must serve a **minimum of four hours at the annual Barbeque and two hours at a Dads' Club sponsored event**. Additional opportunities to complete service hours include, but are not limited to:

- Recess duty
- Before and after school duty
- Lunch duty
- Home and School activities
- Dad's Club activities
- Cleaning on Saturdays
- Serving on school committees
- Chaperoning dances

This policy applies to all school volunteers, parents, and/or non-parents. It is recommended that all parents/guardians, or any adults who volunteer at the school, go through all compliance procedures so that they are qualified as volunteers.

C. Resolution of Conflicts

With Jesus as our model of all behaviors, conflicts are dealt using the process listed below:

1. Parent/Guardian-teacher meet together; if necessary the student may be involved. If a mutual understanding is reached, the conflict has been resolved and no further action is required.
2. Parent/Guardian-Teacher-Administration: If the conflict is not resolved in step one then the administration will be asked to intervene. If a mutual understanding is reached, the conflict has been resolved and no further action is required.
3. Parent/Guardian-Teacher-Administration-Pastor: Conflicts not resolved at step two may require step three. The principal will set up this meeting. The pastor, as canonical administrator, oversees the operation of the parish school. The pastor always checks with the principal before seeing anyone concerning school matters.

D. CARE OF MATERIALS

School Supplies

School supplies used for individual student use are provided by each student. The list of required supplies is provided each year. Students are expected to have the proper supplies on hand the first day of school as well as throughout the school year. All supplies should be properly marked with the student's name. Unauthorized supplies will be sent home.

School Books

Tuition provides for the purchase of the school textbooks and materials. Because of the enormous costs for texts and materials, it is imperative that books and materials are handled and treated with care. It is required that students use a school bag or backpack for carrying books and materials to and from school. (Please be very careful with water bottles in backpacks as they have been known to leak and cause damage to the books.) All books must have a cover and students should not write on the covers as it bleeds onto the books.

Fines charged for damage to books as determined by the teacher and principal are:

\$7.00	Page of book missing or torn
\$5.00	Writing in book
\$3.00	Book covers badly worn
\$1.00	Bent corners (1-5 pages)
\$2.00	Bent corners (more than 5 pages)
\$6.00	Water damage

The cost of replacing one hardcover textbook varies (according to manufacturer's list price) from \$45-\$70. The cost of replacing one consumable textbook is \$25.00.

Library Books

Students in grades 1-8 may borrow books from the library. Parents of kindergarten students may check out books for their children. Students/Parents are responsible for books checked out. An overdue book fine of \$0.50 per week is charged to students when books are not returned on the due date. A lost paperback book will cost \$15.00 and \$40.00 for hardback books. All book fees must be paid in full prior to receiving the final report card.

E. SCRIP/COMMUNITY REWARD PROGRAMS

Scrip is a vital and necessary fundraiser for Saint Francis Catholic School's operation. Scrip turns everyday shopping into cash when our families use retail gift cards to pay for everyday purchases like gas and groceries. Each family is required to purchase a minimum of \$2000 of Scrip per school year **or** pay a one-time annual buyout fee of \$200. You can choose from nearly 400 national retail stores. A list of retailers is available in the office or on our website. Families are able to check your current balance by contacting the front office.

Community Reward Programs

- Fry's shoppers can earn money towards their Scrip requirement by registering their Fry's VIP card under their Community Rewards Program. Fry's requires each family to register their VIP card by August 1st each year to participate in the program. You do not need to save your receipts. Fry's tracks your qualified purchases and will post your rebate earned in a quarterly report to your Fry's account. In order to receive credit for your purchases towards your Scrip requirement, they will need to print out your quarterly report and turn it into the office within 30 days from the end of each quarter.
- Albertson's gift cards are available for purchase through the school office. We **no longer** accept Albertson's receipts to meet your Scrip requirement. St. Francis Catholic School continues to participate in their Community Rewards Program. We earn extra money each time you swipe your Community Card at the register and an additional rebate when you purchase Albertson's gift cards through our Scrip Program. We have extra Community Rewards cards in the office. Please pick extra cards for your friends and family.

VII. ACADEMICS

A. SCHOOL MASS

B. CURRICULUM

As a Catholic school, classroom instruction is always in accordance with the teachings of the Church. Saint Francis Catholic School follows the curriculum guidelines of the Diocese of Tucson, which require specific courses, time allotments and instructional material set by the Department of Catholic Schools, and the Western Catholic Education Association. The guidelines are aligned with the Arizona College and Career Readiness Standards.

The primary goal of program of instruction in the schools of the Diocese of Tucson is to provide learning experiences which most effectively inculcate worthwhile attitudes and impart the knowledge and skills necessary for the spiritual, intellectual, emotional and physical development of the student. (#4200, Handbook of School Policies and Procedures, Diocese of Tucson)

The ITBS test (Iowa Test of Basic Skills) is administered in the fall to students in grades 1-8 and in the spring for grades K-8. Grades 5 and 8 also take the ACRE (Assessment of Catholic Religious Education); a test on knowledge of the Catholic Faith.

C. SCHOOL WIDE PROCEDURES

All students beginning in grade 3 are required to write in cursive. All papers (whether classwork or homework) must follow the following format: Across the right of each student's paper should be legibly written: student's **full name**, subject, assignment, and date.

D. STUDENT HOMEWORK

Saint Francis students are given homework on a regular basis for reinforcement of content and skills presented and studied in the classroom. Different varieties of homework will be assigned. Time needed to complete homework assignments will vary with the student, the teacher, the class and the day.

i. Primary Grades K-2

Weekly homework packets will be sent home on Monday. Homework is assigned Monday through Thursday. The nightly expectation of work time will be 15-30 minutes. A parent signature is required nightly upon completion.

- i. Kindergarten - Homework will be checked daily for completion through the first semester, and then will be graded for accuracy the remainder of the year.
- ii. First Grade - Homework will be checked daily for completion the first quarter, and then will be graded for accuracy the remainder of the year.
- iii. Second Grade - Homework will be checked and graded daily for quality work and completion.

- Students are expected to read for AR no less than 20 minutes per night. AR points will be assigned as a test grade per quarter.
- Students should expect about 1 - 1 ½ hours of homework nightly.

- Projects may be assigned and expected to be completed at home; deadlines and project criteria will be provided to students and will vary by teacher.
- Absences will not excuse students from meeting deadlines.
- Weekend homework, as well as over-holiday homework, will be kept to a minimum excluding long-term assignments.

The student is responsible for any make-up work whenever absent. Parents may request homework assignments when they call the office to report their child's absence. Homework will be picked up in the student's classroom **unless otherwise specified**. Make up work must be completed and turned in within the same number of school days as the absence unless there are extenuating circumstances. For example, if the absence is on a Tuesday, the student returns on Wednesday, then make-up work is due on Thursday. (This does not include projects that are long term assignments. These are due on the due date even if a student is absent.) Teachers may allow additional time.

Grades K-2 will send weekly homework packets with a cover page providing daily assignments, behavior report, and will be used for any communication.

Students in grades 3-8 must maintain a student planner. It will be purchased during orientation and provided directly to the students by their teachers. Students will write their homework in their student planner in order to keep track of assignments. Parents may write notes to teachers in the planner, however it is the student's responsibility to give the teacher and parents the planner for all communication.

E. Study Hall

Lunch time study hall may be offered at the teacher or parent's discretion. Students will be able to work on assignments or projects independently in a quiet and orderly manner.

In this case, the parents/guardian shall be required to state their request in writing. This request will be placed in the student's cumulative file. IX. DISCIPLINE

To ensure the cooperation and order required for an atmosphere of learning, the school has established school wide in and out of the classroom behavioral expectations, positive reinforcement and consequences.

St Francis of Assisi Catholic School practices positive reinforcement for desired behaviors. With constant communication, parent involvement, and patience, students will be successful in their day to day interactions with classmates and adults. We assist children in helping them learn acceptable social interactions with peers and teachers. We encourage and reinforce behavior that is Christ-like and support our students in accepting responsibility for all their words, actions and deeds to self and others.

Each grade level teacher will communicate to students, parents/guardians of their classroom student behavioral expectations to include communicating positive reinforcement for desired behavior and the consequences for not practicing desired outside and classroom behaviors. If a parent has any concerns regarding your student in regards to what is transpiring in the classroom, they **must first** speak to the classroom teacher. If the problem is not resolved then they may set up a meeting with the principal and the teacher. If the problem is still not resolved then a meeting will be set up with the pastor, principal and the teacher.

Kinder- Third Grade Color Coded Behavioral System

The first weeks of school will greatly focus on our independence, classroom rules, and friendships. Our students will be follow a color coded behavioral system. Our goal is for all students to be kind, courteous and friendly learners. This color system provides a visual reminder to each student to monitor their progress in this area in the most efficient way.

Color	Expectation
Purple	Consistently follows behavior expectations
Blue	Role model
Green	Ready to learn (this is our general expectation and how every student starts the day)
Yellow	Warning
Orange	Time out (3 minutes)
Red	Time out with teacher interaction

All students will start their day with their name on green. This behavior chart is fluid to encourage students to be aware of their behavior, apply their behavioral skills and learn to work toward meeting school wide behavioral expectations. Those students who show exemplary behavior will move up the scale, providing positive encouragement and modeling desired behaviors. Students that need a warning, will move down to yellow. If further behavior warrants, the student will move even further down the scale. In the event of a disciplinary situation where redirection is unsuccessful, a child may sit in time out for no more than 3 minutes. In the event that the child is not ready to return, the child may stay in time out up to 10 minutes, however a staff member will provide interaction with that child during those 10 minute period. If behaviors continue and become routine, parents will be contacted for a team plan to be put in place consisting of the Principal, Teacher, and Parents. Additionally, positive classroom behavior will be recognized and discussed at Open House.

*At no time does St Francis of Assisi Catholic School use corporal punishment.

4-8 Grade Behavioral Coded System

In addition to providing an opportunity for academic excellence, we at St. Francis of Assisi Catholic School are also committed to helping our students grow in the image and likeness of God. Our desire is to encourage and enable them to become future leaders in service in their community with the ability to self discipline. With that goal in mind, we continue to use the St. Francis Behavior Codes for the intermediate and middle school. The discipline plan will provide parents with measurable evidence of their child's successes as well as challenges in the classroom.

Below are the Behavior Codes and the point value for each behavior. Students begin each day with 20 points. If infractions occur, points will be deducted in their daily conduct grade. Furthermore, the loss of ten points per day will result in a noon detention the following day. Each student will have a weekly conduct grade that may be accessed via RenWeb. Should parents have questions regarding the conduct grading, contact the classroom teacher. St. Francis 4-8 grade teachers will also provide a positive reinforcement plan in the classroom that is addressed in detail in the Open House letter.

DETENTION

Detention is held every day during lunch time. This is a supervised detention where students eat their lunch and work on assignments given by their teacher. Students will serve detention at the first possible lunch detention. Individual classroom teachers will determine the method of communication of infractions and detention days to parents through RenWeb grades or email. If a student earns three detentions in a week they are required to attend one hour of Saturday detention. If a student earns four detentions in a week they are required to serve two hours of Saturday detention. **Parents are not allowed to be in the detention area for any reason.**

SATURDAY DETENTION

Saturday detention is used when lunch detention is not effective or in cases that are deemed necessary by the administration. If a student **earns** three detentions in a week they are required to attend one hour of Saturday detention. If a student **earns** four detentions in a week they are required to serve two hours of Saturday detention.

Saturday detentions will be held on the last Saturday of the month according to the school calendar. Saturday detention is \$10 per hour, payable at the time of detention. Students will meet for Mass at 8 am, in the church. Detention begins immediately after Mass. The student must report in PE uniform.

SUSPENSION

- Suspension refers to the isolation of students from some or all school activities.
- Suspension shall be imposed in accordance with rules established by the school. It is a drastic consequence that should be used rarely and only in response to an action of a very serious nature or after other remedial measures have been employed without success. Suspension will be implemented by the principal.
- The student may be required to attend school, but be separated from classmates (in school suspension).
- Whether in-school or out-of-school, suspension will not exceed five (5) school days, except in extraordinary circumstances. Suspension includes extracurricular activities. Repeated suspension of the same student warrants the need for alternative action.
- Reasonable efforts to notify parents/guardian are to be made prior to any suspension. However, in situations in which immediate suspension is warranted, parents/guardian are to be notified as soon as is practical under 2 - 20 Students the circumstances. Suspended students will only be released to parent/guardian.
- Parents/guardian are to be informed of the reasons and decision for the suspension.
- A conference must be held with the parents/guardian before the student returns to the classroom.
- A written record of the suspension, including date, reasons, and conference(s) with parents/guardian, shall be kept on file in the cumulative record.
- The suspended student is held responsible for schoolwork missed during the time of suspension.

HARASSMENT POLICIES

Saint Francis Catholic School prohibits harassment of employees by other employees, superiors, students or parents. Harassment is unacceptable conduct and will not be tolerated. All supervisors, employees, students and parents should exercise due care to see that the school is free from all forms of harassment. Harassment is prohibited by law.

For purposes of this policy, the term “harassment” consists of knowingly pursuing a pattern of conduct, which serves no lawful purpose, with the intention to annoy, seriously alarm or terrorize another person causing them to suffer substantial emotional distress.

Sexual harassment is defined as “unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature” when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of a student’s evaluation; or
- Submission to or rejection of such conduct by a student is used as a basis for decisions affecting such student; or
- Such conduct has the purpose or effect of substantially interfering with a student’s academic performance or creating an intimidating, hostile or offensive academic environment

Harassment on the basis of race, color, religion, gender, national origin, age or disability is also prohibited. Harassment would include verbal or physical conduct that denigrates or shows hostility or aversion toward a student because of his/her race, color, religion, gender, national origin, age or disability, or that of his/her relatives, friends, or associates, and that:

- Has the purpose or effect of creating an intimidating, hostile or offensive academic environment; or
- Has the purpose or effect of unreasonably interfering with a student's academic performance; or
- Otherwise adversely affects a student's academic opportunities

Cyber-bullying involves the use of information and communication technologies to support deliberate, repeated, and hostile behavior by an individual or group, that is intended to harm others is also prohibited.

A situation when a child, between or teen is repeatedly "tormented, threatened, harassed, humiliated, embarrassed or otherwise targeted" by another child, between or teen using text messaging, email, instant messaging or any other type of digital technology. This type of behavior will not under any circumstances be tolerated.

St Francis Catholic School cannot take corrective measures to remedy the situations of harassment or bullying unless it has been informed of such an event. Any student of Saint Francis Catholic School who believes that he or she has been or is a victim of harassment or bullying, should immediately report the matter to the principal. Each complaint will be fully examined individually. At its sole discretion, Saint Francis School may take interim actions (e.g., separating students and/or employees, suspending the accused, etc.) pending a full investigation and resolution.

Any student or employee who has been found after investigation, to have engaged in behavior that Saint Francis Catholic School deems inappropriate or in violation of this policy will be subject to discipline, documentation will be kept and may result in immediate suspension, expulsion or termination.

Students who see an act of bullying, and who then encourage it, are themselves engaging in bullying. Students who passively witness an act of bullying and who do not report it have fallen short, at least in some measure, in their responsibility to help maintain a safe and secure school environment for themselves, and for other students.

School staff who witness an act of bullying and who do not intervene to prevent it, either directly or by calling for help, have fallen short in their responsibility to help maintain a safe and secure school environment for themselves, and other students.

H. CUSTODY

Saint Francis Catholic School abides by the provisions of the Buckley Amendment with respect to the rights of noncustodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent access to academic records and other school information regarding the child. If there is a court order specifying that there is to be no information given, it is the custodial parent's responsibility to provide the school with a court-certified copy of the court order. Persons listed on the Emergency Form as custodial parents/guardian will have access unless the school has documentation to the contrary.

I. USE OF STUDENT INFORMATION/PICTURES

The principal, pastor, or a representative of the Department of Catholic Schools may conduct a search of the school plant and every aperture thereof, including lockers and desks. School searches must be based on a reasonable suspicion that a school rule has been broken and related to insuring a safe school environment.

A student assigned to a locker or desk has use of, but not proprietary right to the locker or desk. Schools can search personal property if the search is (1) justified at its inception, i.e., reasonable belief that the student has broken a school rule, and (2) the search is reasonable in scope. The search is made in the presence of at least two school officials. (Diocesan Policy, #2270)
