Student Daily Prayer:

I promise to do my best today to be Christ like and accept responsibility for my words, actions and deeds. With Jesus as my model, I will refrain from anything that can be hurtful to my classmates, but will do my best to be kind, courteous, friendly, respectful and welcoming to everyone I encounter.

“Catholic schools participate in the Church’s evangelizing mission of bringing the Gospel to the world. They are a “privileged environment in which Christian education is intentionally carried out...Catholic Schools, partner with parents in the formation of girls and boys, who will be good citizens of this world, enriching society with the Gospel Values, but who will also be citizens of the world to come. Catholic schools foster the growth of good Catholic human beings who love God and neighbor, and thus fulfill their destiny of becoming saints”.”

#### IV. Program Overview

St. Francis of Assisi Catholic School Prekindergarten offers a highly academic, yet hands on Christ and child-centered curriculum to teach and explore Literacy and Numeracy while supporting the developmental needs of a prekindergartener. The St. Francis Catholic School Prekindergarten Staff supports and partners with parents in their mission to nurture the Catholic faith and academic readiness of their child.

Academics aside, a solid prekindergarten program puts just as much emphasis in its social teachings as it does in its academic teachings. St Francis Catholic School Prekindergarten offers this emphasis in two ways. First, and foremost are our Catholic teachings through the Gospel Values. As our preschool aligns with St Francis of Assisi Catholic School K-8th grade's philosophy of a Catholic School's Gospel Values, we teach and model to our student body to be a Community of Faith, Knowledge and Service. In that spirit, we bring this powerful message down to the preschool level with *Stories of God's Love*, a Bible based curriculum that teaches God's message and scripture through stories that are relevant to the everyday life of a preschool aged child. God's message and His teachings will be taught and modeled through daily prayer: morning prayer, prayer at snacks and meals, and the end of the school day. The prayers that are taught and modeled for St. Francis Catholic School Prekindergarten students are: Angel of God, Hail Mary, Our Father, and Grace Before Meals. Students will also gain an understanding of the Catholic Church's traditions, symbols, and sacraments. The second emphasis will be placed on character building, peer relationships, social skills and problem solving with our *Second Step* curriculum. This program teaches everyday social situations with the use of puppets, roll plays and stories. These stories are relevant to complexity of a preschooler's day. Communication skills, frustration tolerance, acceptance of others, turn taking and fairness are challenges all preschoolers face daily.

Students explore Literacy in the areas of English/Language Art with the *engage NY* curriculum. This curriculum is highly engaging while providing students with early English and Language Arts readiness skills. The curriculum is taught in thematic units where stories, both familiar and new, are told, retold and acted out in art, dramatic play, blocks, writing, music, movement, science, social studies, child initiated writing and games.

Students will explore Numeracy in the area of Math. Math is a very complex curriculum at the preschool level. Aside from the basics of numbers and shapes, math concepts are taught and explored through music, movement, trial and error, and hands on play. Our math curriculum, *engage NY*, will provide a sound foundation in math concepts to prepare children for a strong understanding of numerals, spacial awareness, shapes, quantities, and groupings.

The whole child is our focus, therefore, our program provides daily gross motor and fine motor activities. Whether a child is playing on the playground, water table, sand table, playdough, thematic sensory exploration or working on their coloring and writing skills, each and every student has the opportunity for movement, experimentation, exploration and discovery.

### **A. Report Cards**

Students will be assessed on developmental milestones which are aligned with both the *Arizona Early Learning Standards* along with the benchmarks for the *engage NY* curriculum. Items on the report card that are shaded are not in the zone of developmental mastery at that time therefore, are not assessed. Report cards will be sent home quarterly. A \$2 fee will be paid to the office for a lost report card.

### **B. Conferences**

All students and parents will be required to attend a conference in the fall and spring. Additional conferences are available upon request of parents or teachers. The fall conference will address academic goals and benchmarks, along with developmental and emotional adjustments to the prekindergarten year. Spring conferences will be looking ahead to Kindergarten readiness and a scope and sequence of the mastery of developmental skills throughout the year.

### **C. Field Trips**

Field trips provide a learning experience with the purpose of expanding students' insight into a particular curricular concept. Written notice of a field trip will be given to parents in advance. Parents/guardians must sign and return a permission form by the due date indicated on the permission form in order for your child to attend the field trip. Phone calls in lieu of the permission slip will not be accepted. St Francis of Assisi Catholic School Prekindergarten and its staff do not provide transportation for its students, therefore, all volunteer drivers must be 25 years of age or older and hold a valid driver's license issued by the Arizona Department of Motor Vehicles and have proof of current insurance. This information must be on file in the school office. Drivers must be in compliance with the Diocese of Tucson Safe Environment requirement, including fingerprint background clearance, and current First Aid/CPR certification. ### **X. Discipline Policy**

#### **A. Discipline**

St Francis of Assisi Catholic School Prekindergarten practices positive reinforcement. With constant communication, parent involvement, and patience, students will be successful in their day to day interactions. We assist children in helping them learn acceptable social interactions with peers and teachers.

The first weeks of school will greatly focus on our independence, classroom rules, and friendships. Our prekindergarteners will be follow a color coded behavioral system. Our goal is for all students to be kind, courteous and friendly learners. This color system provides a visual reminder to each student to monitor their progress in this area in the most efficient way.

Color	Expectation
Purple	Consistently follows behavior expectations
Blue	Role model
Green	Ready to learn (this is our general expectation and how every

	student starts the day)
Yellow	Warning
Orange	Time out (3 minutes)
Red	Time out with teacher interaction

All students will start their day with their name on green. This behavior chart is fluid to encourage students to be aware of their behavior, apply their behavior skills, and to work towards meeting school wide behavioral expectations. Those students who show exemplary behavior will move up the scale, providing positive encouragement and modeling desired behaviors. Students that need a warning, will move down to yellow. If further behavior warrants, the student will move even further down the scale. In the event of a disciplinary situation where redirection is unsuccessful, a child may sit in time out for no more than 3 minutes. In the event that the child is not ready to return, the child may stay in time out up to 10 minutes, however a staff member will provide interaction with that child during those 10 minute period. If behaviors continue and become routine, parents will be contacted for a team plan to be put in place consisting of the Director, Teacher, and Parents. Additionally, positive classroom behavior may be recognized and discussed at Open House.

\*At no time does St Francis of Assisi Catholic School Prekindergarten use corporal punishment.

#### **C. Dads' Club**

Dads' Club is an organization in which the fathers, grandfathers, uncles and friends of our students exercise their role as partners with the school in the education of their children.

Women may also attend meetings and be involved. Every family is a member of the Dad's

Club. The Dads' Club meets the second Wednesday of each month at 7pm. They have elected officers that serve for two years.

The Dads' Club is a great benefit to the schools, not only through the presence of dads at school functions, but in raising money and working to make improvements to the school grounds, school picnics, and school maintenance.

Each family is required to help with one fundraiser. Their fundraisers include but are not limited to a golf and Texas Hold'em tournament.

Dads' Club membership fee of \$10 is due by September 1st and is non-refundable.
